

DOCTORS PRESCRIPTION FAILED--- THE GREAT KIDNEY REMEDY PROVES ITS MERIT

It gives me great pleasure to say a good word for Dr. Kilmer's Swamp-Root because it has cured me of a severe case of Kidney Trouble. I had suffered for some five years with this trouble, and more especially for the first three months of 1909.

Physicians prescribed for me, but without much success, and any relief obtained was only temporary. I had severe pains in my back and at no time was I free of pain. When I stooped down it was with some difficulty that I could straighten my body again. I could not lift any weight of consequence without great pain. I would be compelled to arise and give the bladder relief. A friend of mine advised me to take Dr. Kilmer's Swamp-Root, whereupon I wrote to Dr. Kilmer for a sample bottle which so benefited me that I was led to believe it would be a great help to me. Accordingly I purchased two bottles of Swamp-Root from Mr. A. P. Perry, my Druggist, and the effect has been truly marvelous.

I feel like a new man and have every reason to believe that I am cured, and that no other medicine could have accomplished so much. Now I can raise a heavy load, can bend my back over my desk all day, and feel none the worse for it. In view of the foregoing facts, I sincerely trust that this testimonial may reach some of those who are suffering after the manner before described and that it may convince them that the merit of this great medicine should be given a fair trial in their case.

Very truly yours,
B. A. WILSON, Agt.,

No Excuse at All.

N. C. Goodwin, the comedian, was condemning a new comedy at a dinner in New York.

"Its climax," he said, "is false and unsatisfactory—as false and unsatisfactory as Rowndar's excuse."

"On Rowndar's return at a very late hour, his wife said reproachfully:

"You used to vow I was the sunshine of your life, but now you stay out night after night."

"Well, my love," said Rowndar, "I don't ask for sunshine after dark."

A wonderful cat is that owned by Mr. A. J. Gorringer, a tradesman of Ditching, England. Mr. Gorringer has a bantam which lays her eggs in different parts of the yard, but his cat never fails to find them. She takes the egg between her teeth, places it on the step, and rattles the door handle with her paws until her mistress arrives to take in the egg. Not one of the eggs has yet been broken.

"Charles," said a sharp-voiced woman to her husband in a railway carriage "do you know that you and I once had a romance in a railway carriage?"

"Never heard of it," replied Charles in a subdued tone.

"I thought you hadn't; but don't you remember, it was that pair of slippers I presented to you the Christmas before we were married that led to our union? You remember how nicely they fitted, don't you? Well, Charles, one day when we were going to a picnic you had your feet upon a seat, and when you were not looking I took your measure. But for that pair of slippers I don't believe we'd have ever been married."

A young unmarried man sitting by immediately took down his feet from the seat.—Ideas Magazine.

You Never Can Tell.

A certain 'cellist was once snow-bound for three hours at a small railroad station. He unpacked his 'cello and played his dozen fellow sufferers a request program with the result that one of them took him to Europe for a year. An Individualist.

The reason for the individual drinking cup had been explained again and again to the children and they had become sturdy supporters of the idea.

FREE SAMPLE CURED OLD PERSON'S BOWEL TROUBLE

One of the most remarkable proofs of the unusual laxative merit contained in Dr. Caldwell's Syrup Pepsin is that it is effective not only in people in the prime of life, but at the extremes of ages. As many letters are received from mothers regarding the cures of children, as from men and women of sixty, seventy and eighty years of age. It must be truly a wonderful laxative.

In the cure of constipation and bowel trouble in old people it has no equal. It corrects the constipation, dispels the headache, biliousness, gas, drowsiness after eating, etc. People advancing in years should see to it that their bowels move freely, and if they do not to take Dr. Caldwell's Syrup Pepsin.
